

The Leonardo Guidebook

PRIMARY Activity Sheet The Leonardo Guidebook

In this Exhibition you will find plenty of evidence to support the writing of your guide book. Here are some questions

- Which of the inventions that have been made into models at the Leonardo da Vinci Machines exhibition were designed during the time Leonardo was working for Ludovico of Sforza ?
- In 1502 Leonardo works briefly for Cesare Borgia as a military engineer. What projects does Leonardo design and can you find any of them at The Leonardo da Vinci Machines exhibition ?
